Dear Dr. Pascual:

I am pleased to transmit to you with this letter check No. 81328 drawn on this Embassy's account with Bank of London and South America in the amount of 1,814,400 pesetas, in favor of the Junta de Energía Nuclear. This, as you know from your correspondence with Mr. Nelson Sievering, represents the first payment of the calendar year 1976 support from the U. S. Energy Research and Development Administration, for the continuation of the Indalo studies.

With best wishes for the continuing scientific yield of the project, and assurances of my real interest in it, I remain

Sincerely yours,

Duncan Clement  
Scientific and Technological  
Attaché
